APPLICATION FOR USE OF RECREATIONAL VEHICLE

On March 20, 1999, the Lake Arrowhead Community Board of Trustees established a policy that requires permission for the use of a recreational type vehicle while building, to be determined on a case by case basis. RV's may not be used for permanent habitation and may not be placed on a lot until clearing operations have been started. After construction is completed, the RV must be placed in a location so as not to be unsightly.
